### **5th Newsletter (August, 2009)**

1. Our Society is applying approval for excavation from the AMO. Mr. Wang Wenjian will lead the team. Place for excavation is Shek Kong, Seven Star Village(石崗七星村) and it will start around November, 2009 and last for one to one and a half month. Excavation Assistant is recruited from our members. Members who are interested may apply. Please write to our Society via email or letter.
2. We proposed to make a DVD for collection of previous programs made by the RTHK. However, there seems to have no records by members other than the one collected by Mr. Meacham, William. The quality of the program recorded is far from satisfactory, but it is the only one that can refresh our memory.
3. DVDs on talk by Professor Lee Long lam's A- 『香港唐代鹽業的考古證據』 and B- 『Previous TV programs made by the RTHK(quality fair)』 are made. Each costs \$20.00. Interested members may make crossed cheque payable to "The Hong Kong Archaeological Society". Please write name and required number A, B on back of cheque for easy reference. Please note that it may take some time to make copy and postage once ordered.
4. Our journal has just been completed. Members may come to our office for collection of the journal at opening hour of our Office on every Monday from 4pm to 8 pm. It is preferable to make a call to our staff on duty at 2723 5765 .Or please provide a returned address A4 envelope with stamps \$16.40 for postage if required.
5. Exhibition with the AMO will inaugurate on 13.8.2009 at 4:30 PM at the Hong Kong Heritage Discovery Centre, Kowloon Park, Hoiphong Road. The exhibition will last till 26.9.2009. Interested members are welcome to attend.
6. The Hong Kong Museum of History will have exhibition on 『麥兆良神父考古展覽』 from November 2009 to February 2010. Our Journal in 1975 in article 『粵東考古發現』 mentioned it in brief. Interested members are welcome to attend.
